Bangalore, IN | P: +91 8088492346 | pradeeptonny123@gmail.com

EDUCATION

PRESIDENCY COLLEGE

Master of Computer Application

Bangalore, IN
2024

Relevant Coursework: Operating Systems, Data Science, Software Engineering, Artificial Intelligence

DAYANANDA SAGAR COLLEGE OF ARTS, SCIENCE AND COMMERCE

Bachelor of Computer Application

Bangalore, IN
2022

Relevant Coursework: Database management system, Data structure

ST JOSEPH'S COMPOSITE PU COLLEGE

PCMB

Bangalore, IN
2019

Relevant Coursework: Physics, Chemistry, Mathematics, Biology

TECHNICAL SKILLS

Programming Languages: Proficient in java

Web Development: Understanding of front-end technologies: HTML, CSS, JavaScript ,Reactjs,Mongoddb,Nodejs and Expressjs

Database Management: Hands on experience in SQL databases.

Networking: TCP/IP, DNS

Cloud Computing: Basic exposure

O365: Word, Excel, PowerPoint.

UNIVERSITY PROJECTS

Veterinary Health System

- Built a web-based platform using HTML, CSS, JavaScript, and PHP to manage patient records, diagnose diseases, and recommend drug treatments.
- Implemented features that allowed veterinarians to input symptoms, diagnose diseases, and generate treatment plans, enhancing workflow efficiency.
- Designed and developed an intuitive user interface for veterinarians to access patient data, track treatments, and update medical histories easily.
- Used PHP to handle server-side operations, including database management for storing patient records, treatment history, and prescriptions securely.

Logistics Transportation Solution

- Developed using HTML, CSS, JavaScript, PHP, and MySQL for managing vehicles, drivers, and trip scheduling.
- Implemented dynamic trip scheduling and status tracking, allowing real-time updates on vehicle availability and trip progress.
- Built and optimized database schemas in MySQL for handling large volumes of transportation data, ensuring efficient storage and retrieval.
- Created report generation features for tracking completed trips, improving operational transparency and decision-making for logistics management.

ADDITIONAL

Soft Skills: Growth Mindset, Detail-oriented, Leadership, Critical Thinking, Communication.

Languages: Fluent in English, Hindi, Kannada

Certifications & Training: Full stack Development from simpliLearn
